SANDY CITY PARKS MASTER PLAN

FALL 2023 PUBLIC OPINION RESEARCH

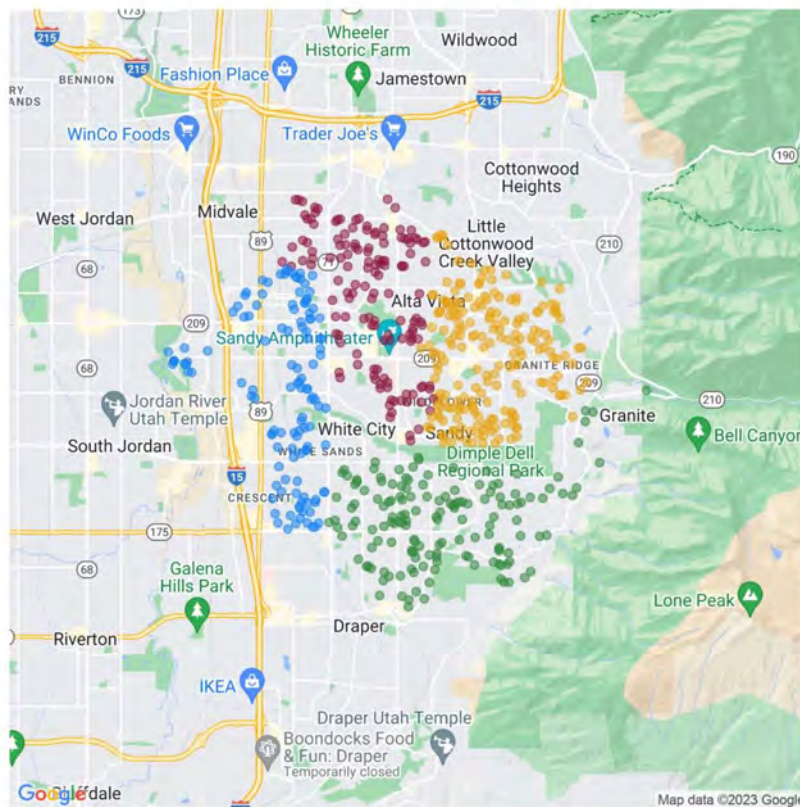

5

1. Satisfaction with parks, trails, recreation and open spaces in Sandy City is **very high, with all having at least 70% satisfaction or higher**. Most respondents also say the city has the right amount of each of these amenities, but 48% of respondents say there are **too few open spaces**. Familiarity with recreation programs is **low** at slightly more than 50%.
2. Usage of and satisfaction with parks in Sandy is **very high, with over half of respondents saying they use parks a few times a month or more**. A high proportion of respondents say **no improvements are needed to parks**.
3. Respondents say they use trails in Sandy **less often than they visit parks, with only 1 in 3 saying they use them a few times a month or more**. In terms of improvements to trails, there is **broad interest in linking trails to neighborhoods, completing trails and creating a more connected trail system**.
4. Very few respondents in our sample **have participated in a recreation department program during the past 2 years**. Respondents say this is mainly due to **age or lack of interest**, and there are few suggestions for additional programs the city could offer that would interest them.
5. When asked to allocated funds from a hypothetical budget, the items that have the highest support are related to **open spaces, trails, and parks**. Respondents are split on **whether the city should focus on improving existing amenities or developing new ones, with most showing preference for some mix of the two**. Between the two extremes, there is a slight preference for improving existing amenities.

KEY FINDINGS

SURVEY METHODOLOGY

MODE, SAMPLE SIZE, & MARGIN OF ERROR

- District 1
- District 2
- District 3
- District 4

Survey invitations were sent via **email** and **text message** to a previously recruited citywide resident panel.

Responses were collected from **October 28-November 15, 2023**.

In total, **509 residents** responded to this panel survey, resulting in a margin of error of approximately **+/- 4.30 percentage points**.

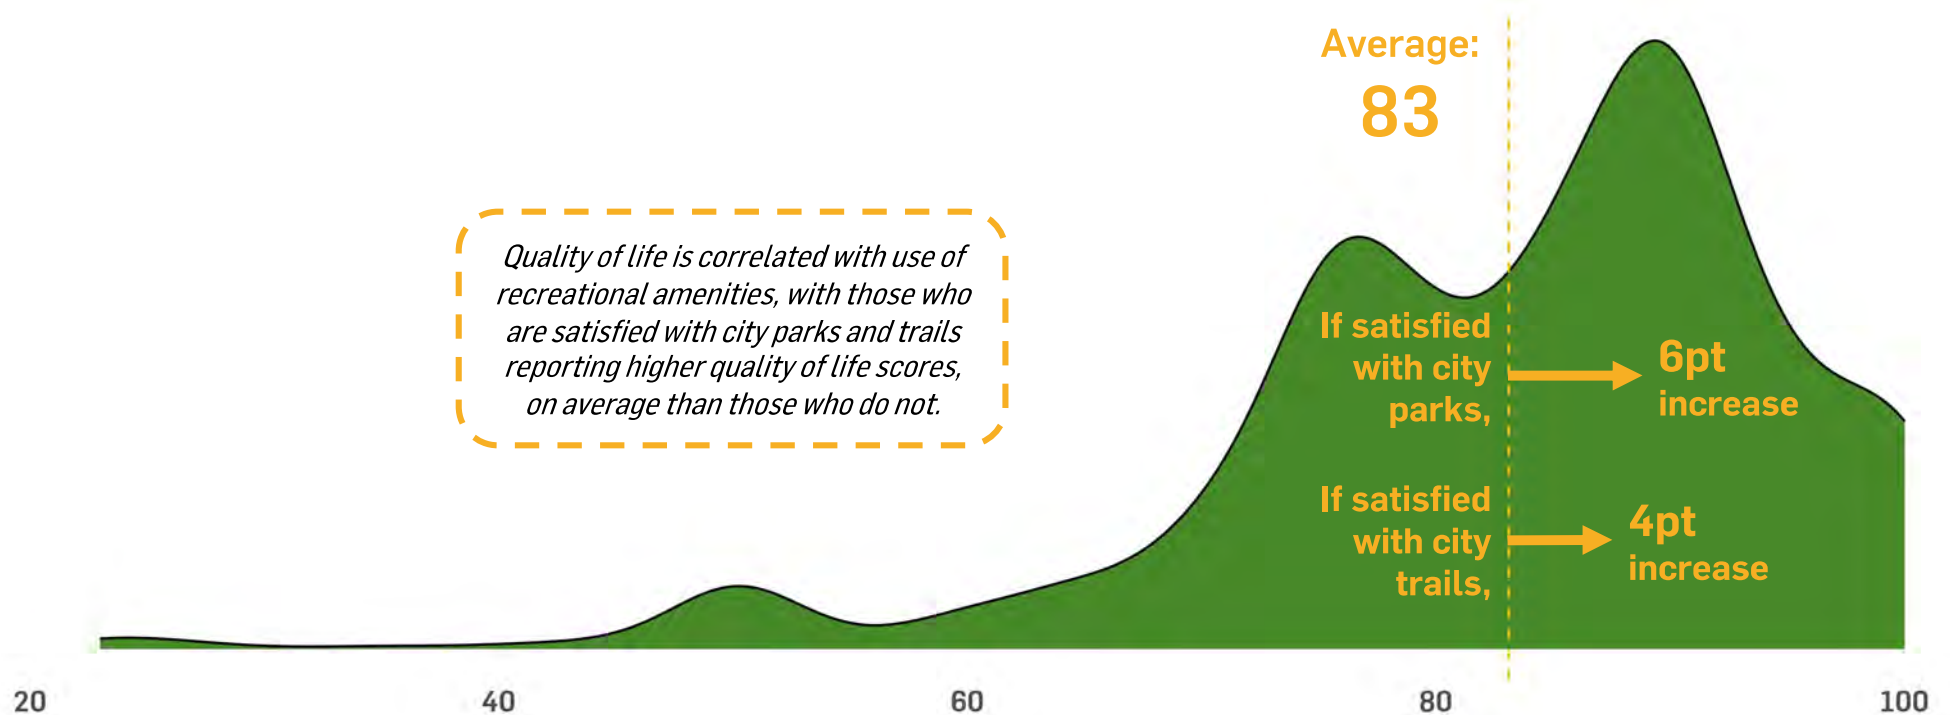

Responses were weighted to reflect the demographic composition of the city as a whole. Responses have also been geocoded into City Council Districts to allow for geographic analysis of attitudes and behaviors.

GENERAL SATISFACTION & ATTITUDES

SANDY RESIDENTS ENJOY HIGH QUALITY OF LIFE

Respondents say their quality of life in Sandy is high, with an average response of 83 out of 100. In a linear prediction model of quality of life, we also found that satisfaction with city parks and trails both have a significant positive effect on quality of life.

Quality of Life

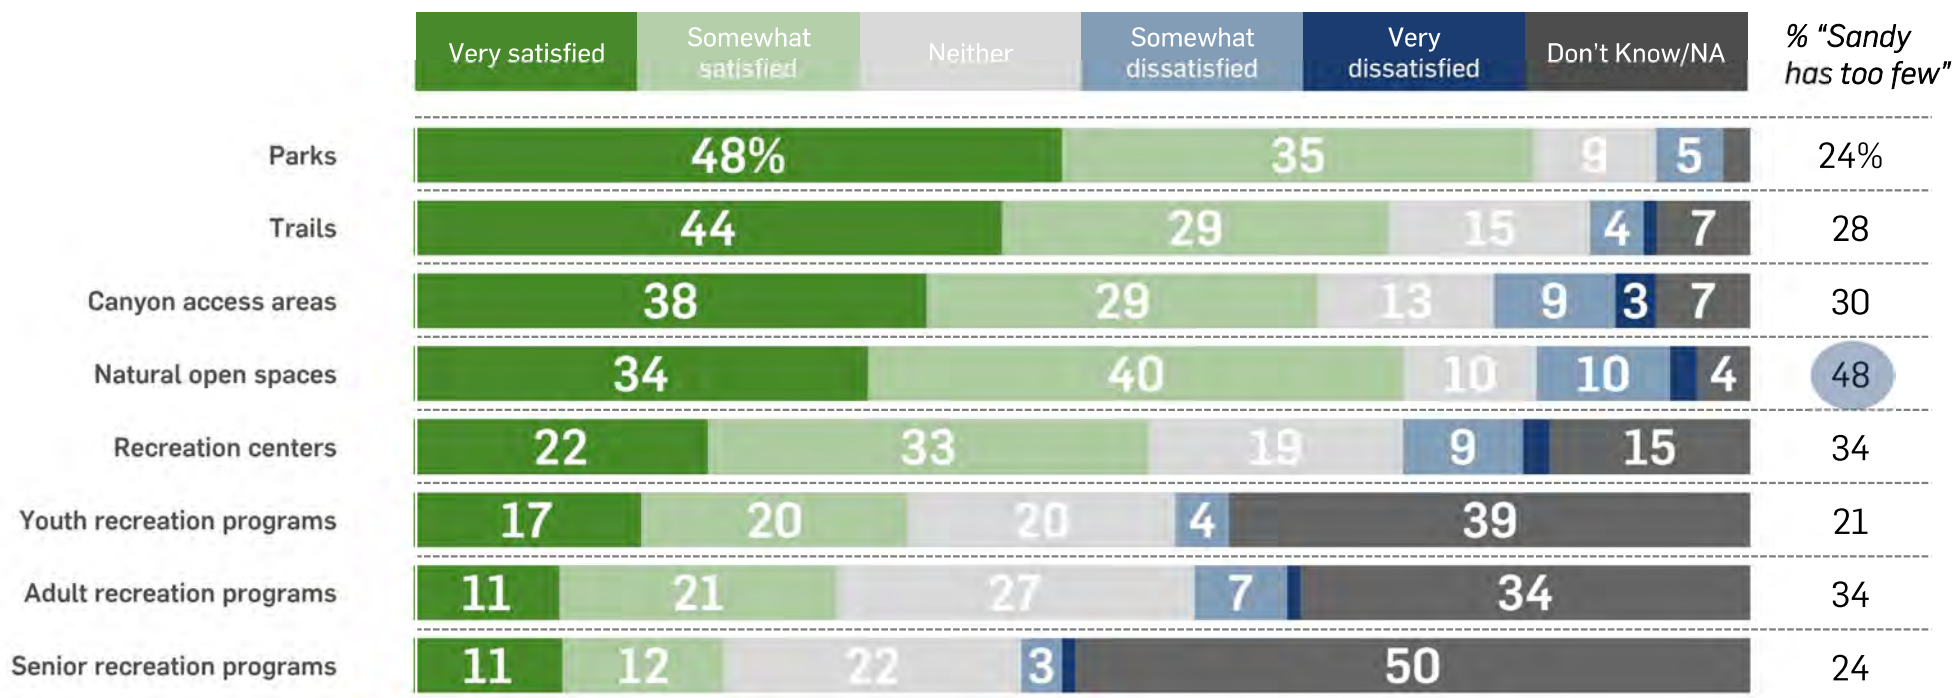

*Increase values are the modeled effects of a linear model regressing quality of life on satisfaction with parks, trails, recreation, and other city amenities as well as demographic factors

Q: All things considered, on a scale from 0 to 100, with 0 being very low and 100 being very high, how would you rate your overall quality of life in Sandy? (n = 505)

RESIDENTS SATISFIED WITH REC OPPORTUNITIES

Satisfaction with parks, trails, canyon access, and natural open spaces is high. Most respondents also say the city has enough parks, trails, and canyon access areas. However, nearly half of respondents say there aren't enough natural open spaces in Sandy.

Satisfaction with City Parks and Recreational Amenities

Q: Thinking about Sandy's recreational amenities, are you generally satisfied or dissatisfied with each of the following? (n = 508)

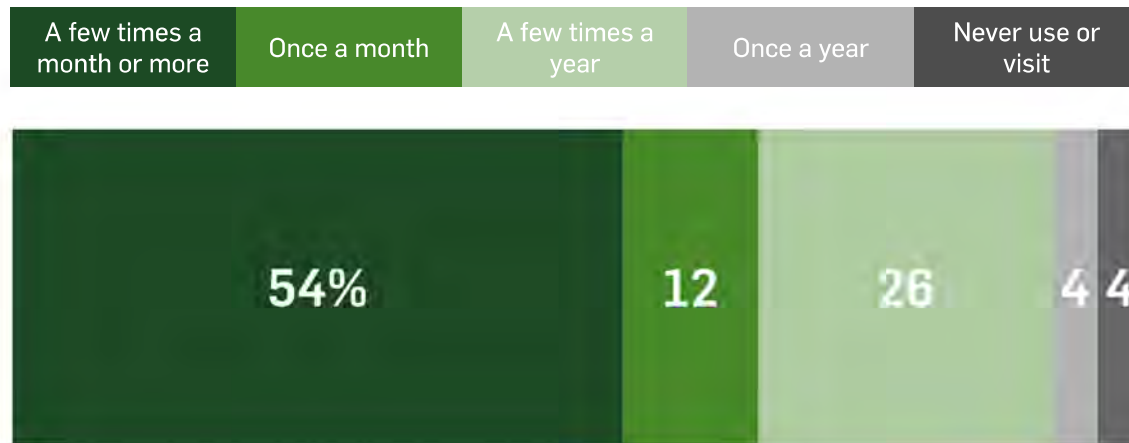

Q: Based on what you know or have heard, do you feel as though Sandy has too many, too few, or the right amount of each of the following recreational amenities? (n = 502)

PARKS & FACILITIES

MAJORITY USE PARKS/REC SPACES VERY OFTEN

Just over half of respondents (54%) use parks, open spaces, or recreational facilities in Sandy multiple times a month, and a total of 66% use them at least once a month. Rates of use have noticeable differences by certain demographic factors, such as age, race, education, and income.

FLAT IRON MESA, BELL CANYON MOST POPULAR PARKS

Flat Iron Mesa Park and Bell Canyon Park have been visited by about 4 in 10 respondents in the last year. Flat Iron Mesa Park is the park most often selected as most-often visited, with Dimple Dell Regional close behind. Though there are some parks that are utilized more frequently, there is no one clear winner or loser, indicating that all of Sandy's parks are being utilized by residents.

OWNERS, RENTERS VISIT PARKS AT SIMILAR RATES

Rates of park visitation are nearly the same between homeowners and home renters in our survey sample. Most common reasons respondents gave for visiting their favorite parks also didn't differ much between home ownership status, with proximity to home, trails, and physical fitness being the most common reasons given by both groups. Those who are renting are slightly more likely to say they visit their favorite parks for physical fitness.

PATHS, TREES COMMON WANTS FOR PARKS

When asked what additional amenities should be added to Sandy City parks, 1 in 4 cite the need for additional walking/jogging paths, and 1 in 5 report wanting more trees/greenery. Athletic courts, water-wise landscaping, off-leash dog areas, and shade are also commonly selected.

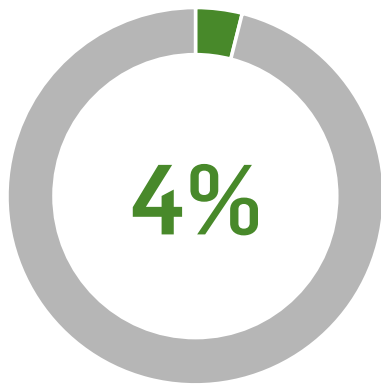

Additional Amenities Needed at Sandy Parks

Q: In your opinion, what additional amenities, if any, should be added to Sandy City parks? Select up to three. (n = 449)

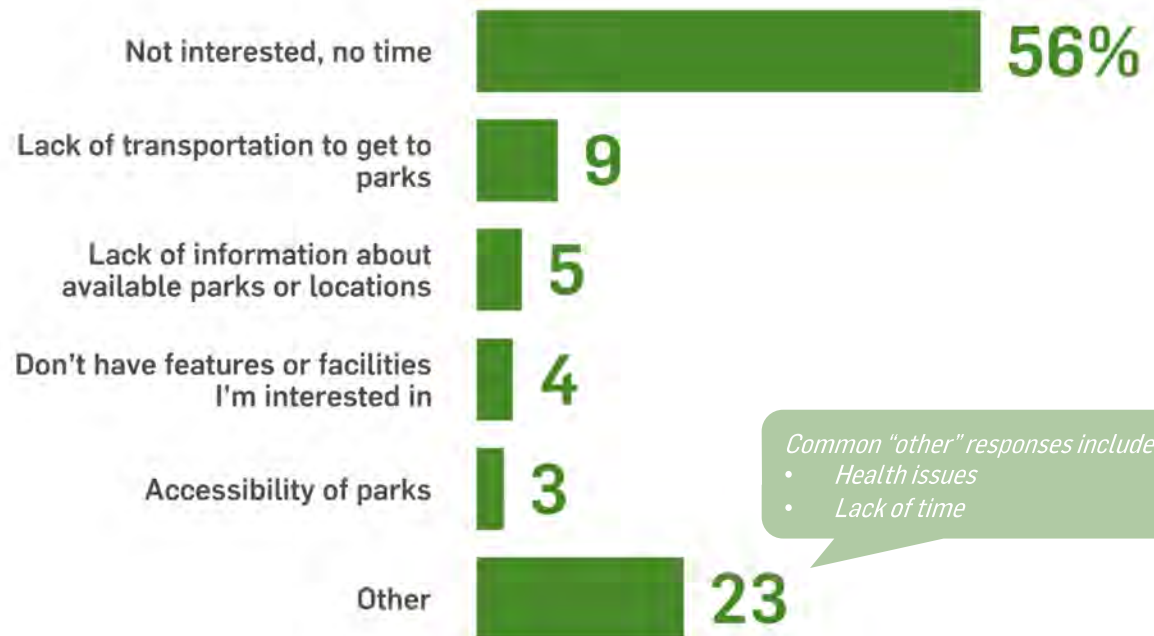

NON-VISITORS TO PARKS LACK INTEREST, TIME

Only a very small proportion of respondents (4%) never use or visit park, open spaces, or rec facilities in Sandy. Among these 24 respondents, the most common reason given is a lack of interest or time, indicating there are likely no significant barriers to entry for using parks, open spaces, or rec facilities.

Only 4% of residents have never used or visited parks, open spaces, or rec facilities in Sandy

OWNERS, RENTERS USE TRAILS AT SIMILAR RATES

Rates of trail usage are nearly the same between homeowners and home renters in our survey sample. Most common reasons respondents gave for using trails also didn't differ much between home ownership status, with walking/jogging/exercise, and spending time in nature being the most common reasons given by both groups. Renters were significantly less likely to respond with "recreational biking", and more likely to respond with "photography", but the large difference is likely due to the small sample size of renters in our data.

TRANSPORTATION TO & AROUND PARKS/TRAILS

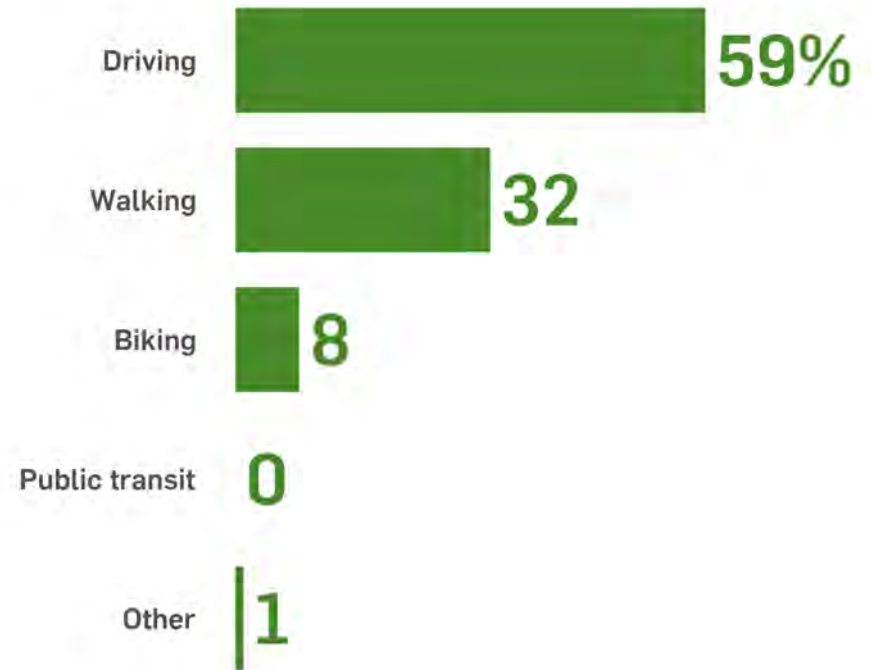

MOST GET TO PARKS AND TRAILS BY DRIVING

Driving is the most popular method of transportation respondents take to get to parks and trails, with 62% saying they drove to go to the park the last time they went, and 59% saying they drove last they traveled to a trail. About 1 in 3 say they walked, and all other methods, including biking and public transit, were collectively used by around 3 or 4% of respondents for either destination.

Transit Method - Park

Transit Method - Trail

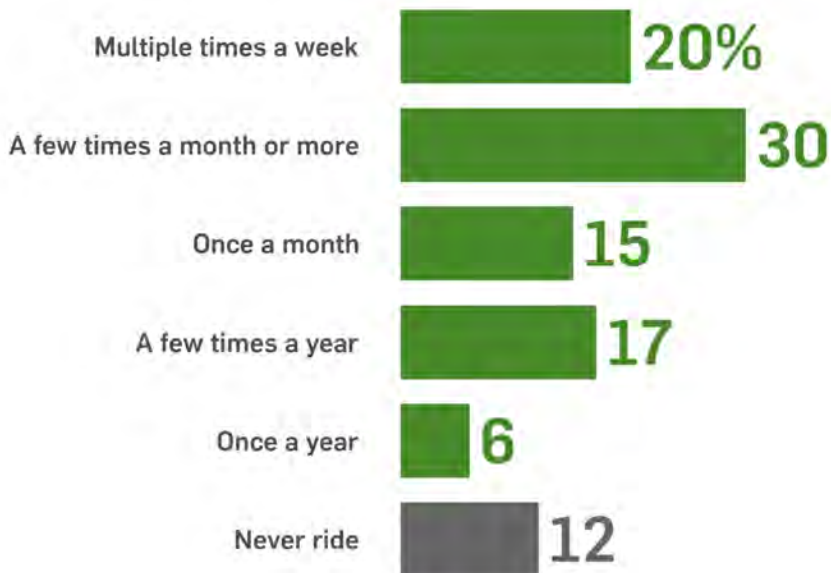

Q: When thinking about the last time you visited a Sandy park, how did you travel to the park? (n = 482)

Q: When thinking about the last time you visited a Sandy trail, how did you travel to the trail? (n = 377)

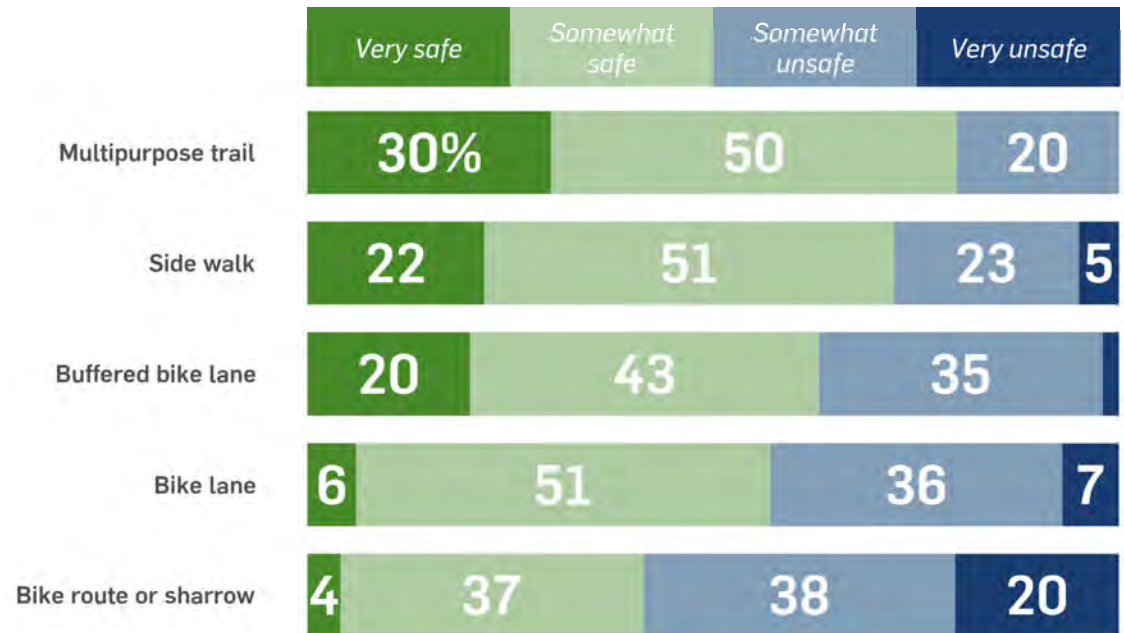

BIKERS FEEL SAFER ON TRAILS THAN ON ROADS

Most respondents who say they bike on trails in Sandy (22%) say they also ride bikes on streets or roads in the city. A majority of respondents who ride bikes say they feel safe on most kinds of biking paths, including trails, sidewalks, and bike lanes. A majority of bikers feel unsafe in bike routes or sharrows and many do not feel safe in bike lanes.

Frequency of Riding Bikes in Sandy

Perceived Safety of Riding Bikes in Sandy

Q: How often do you ride a bicycle on streets or roads in Sandy (i.e., not including mountain biking)? (n = 94)

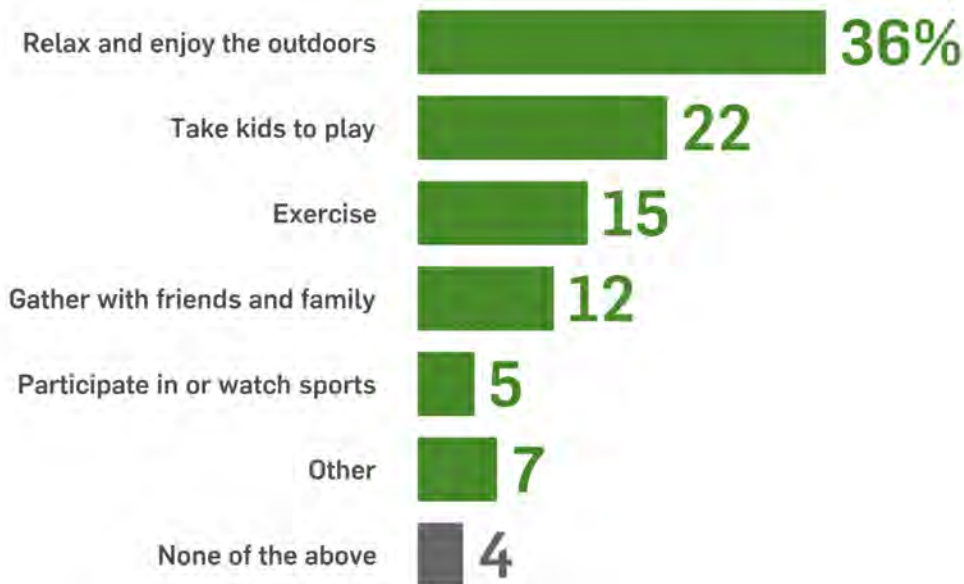

Q: How safe do you feel riding your bike on each of the following bike route types in Sandy? (n = 83)

GENERAL RECREATION

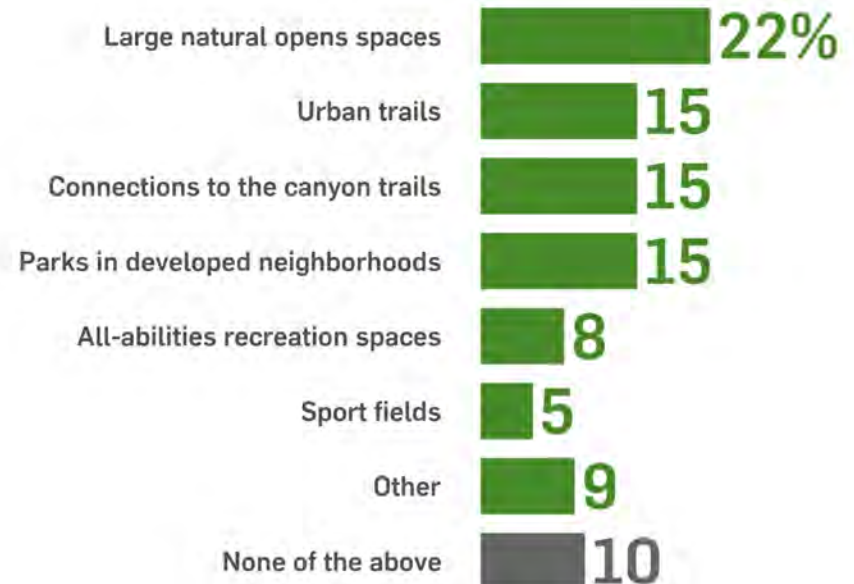

HIGH INTEREST IN RELAXING, OPEN SPACES

When asked about the kinds of spaces that are important to have close to home, 1/3 of respondents cite the need for a place to relax and enjoy the outdoors, with spaces to take kids to play and exercise also being popular. When asked about the kinds of spaces they would like more of in Sandy, respondents are split between wanting to see more large open spaces, urban trails, connections to canyon trails, and parks in developed neighborhoods.

Spaces to Have Close to Home

Spaces to Have More of in Sandy

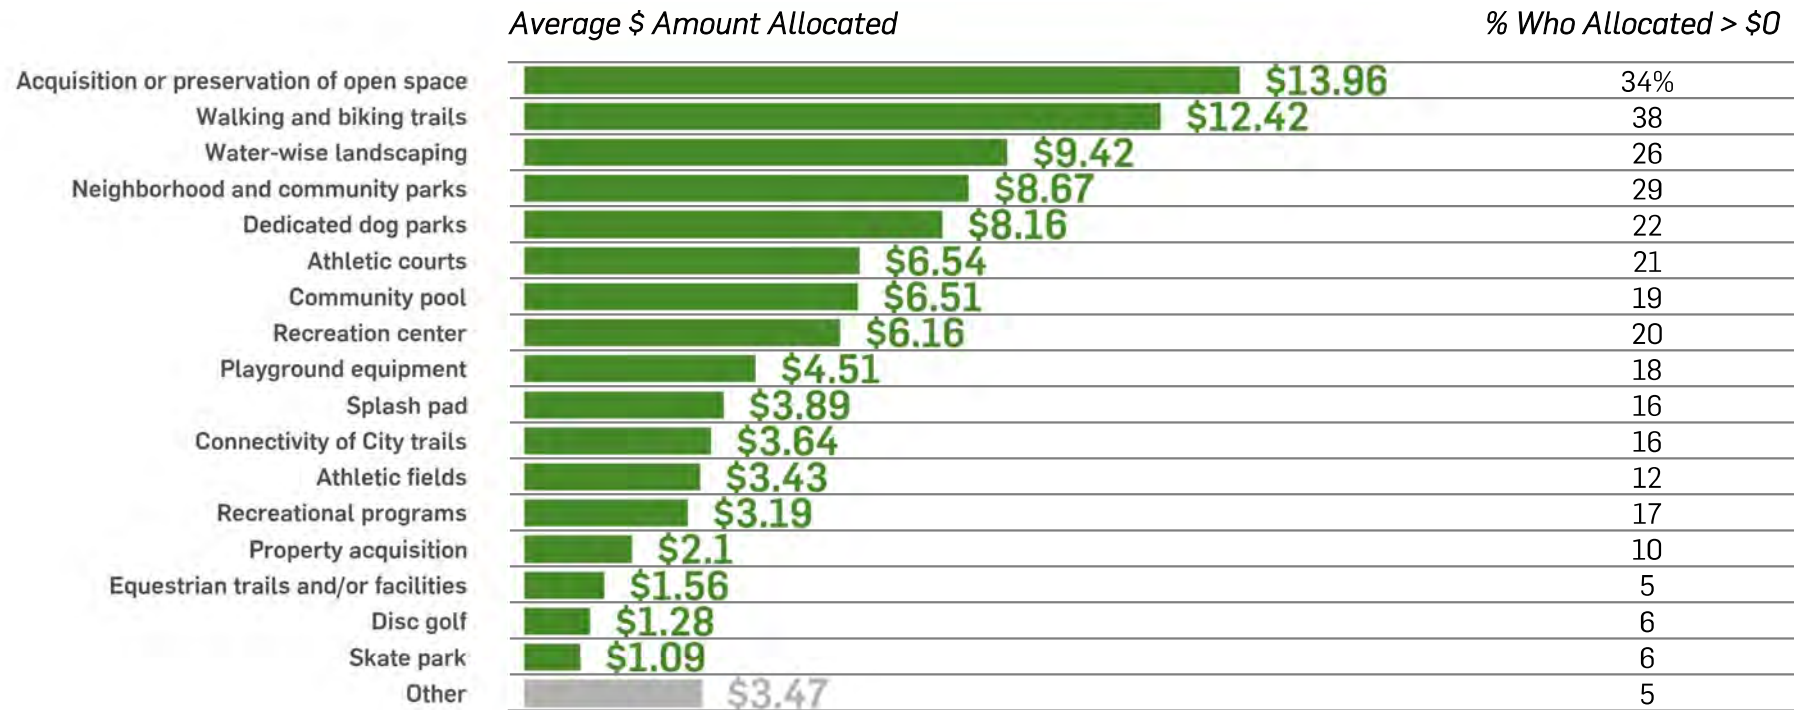

Q: In your opinion, which of the following spaces would be most important to have close to your home? A place to... (n = 482)

Q: Which of the following recreational spaces would you like to see more of in Sandy? (n = 479)

OPEN SPACES & TRAILS HIGHEST BUDGET PRIORITIES

When asked how they would allocate \$100 to Sandy City parks, recreation, trails, and open space, residents prioritize acquisition or preservation of open space and walking and biking trails. By contrast, options like a skate park, disc golf, equestrian facilities, and acquiring more property are seen as lower priorities.

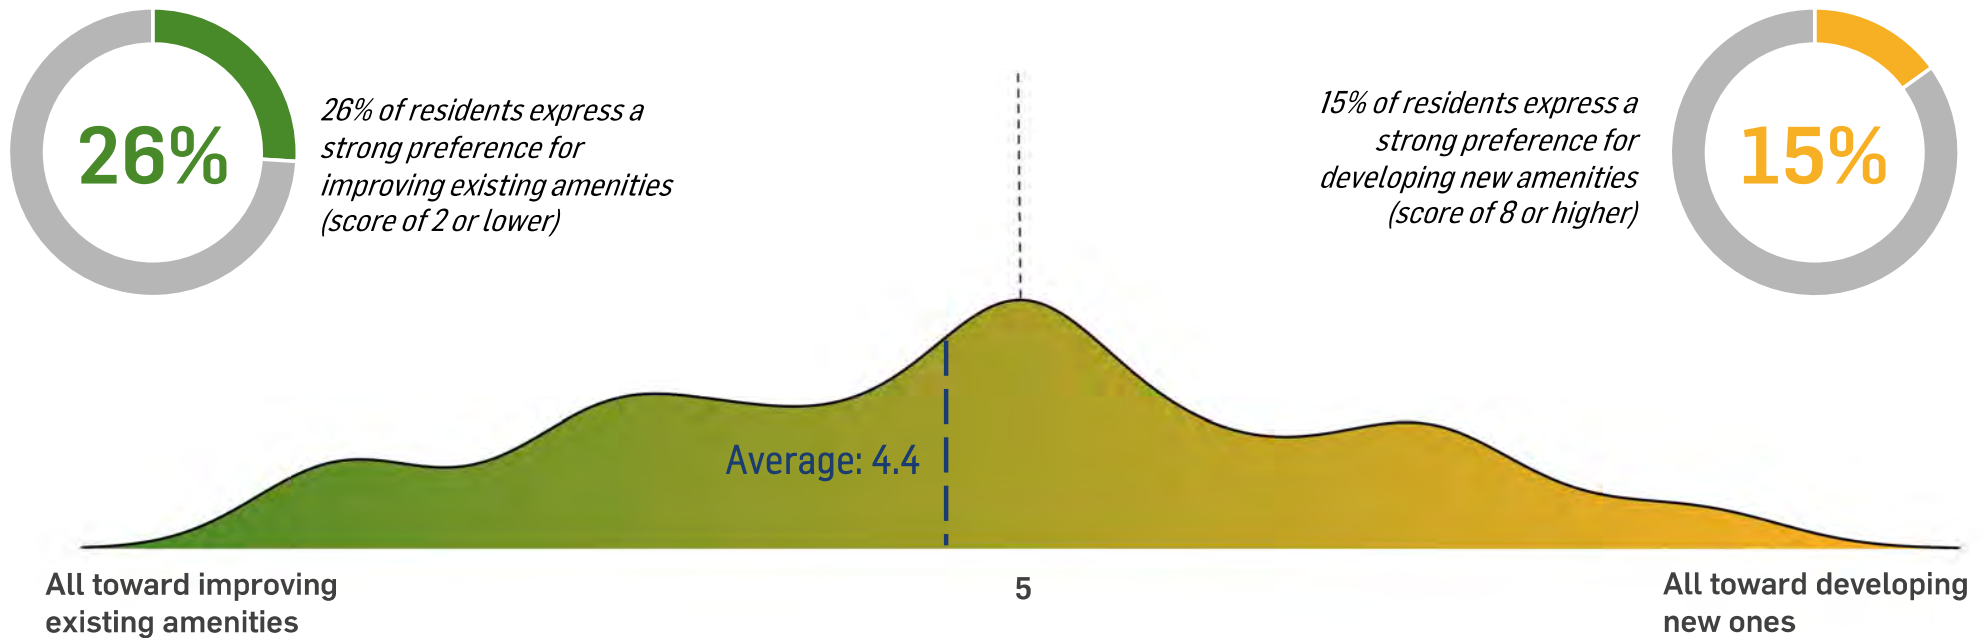

Q: Imagine that you had \$100 to allocate to Sandy City parks, recreation, trails, and open space. How would you allocate that \$100 across the various options? You may spend the \$100 on one option or spread it amongst the options, but the end total spent must equal \$100. (n = 409)

RESPONDENTS SPLIT ON IMPROVING EXISTING AMENITIES VS ADDING NEW ONES

In a hypothetical scenario where respondents were asked to allocate funding between improving existing amenities (represented as 0 on the 0-10 scale) or developing new amenities (represented by 10), most responses fall somewhere in the middle, with the average response being about 4.4. Though the majority of respondents prefer some combination of the two, there is a slight preference overall for focusing on existing amenities rather than creating new ones.

Tradeoff Priorities

Q: Thinking again about the budget priorities to which you allocated funding in the previous question, over the next five years, would you prefer that the City of Sandy focus on improving existing amenities such as parks, facilities, and programs or developing new amenities? Please move the slider to indicate your level of preference between these two options, where 0 represents focusing ONLY on improving existing amenities and not developing any new ones; while 10 represents focusing ONLY on developing new amenities and no improvements to existing amenities. SANDY CITY 2023 PARKS MASTER PLAN SURVEY

TOPLINE REPORT

METHODOLOGY DETAILS

n = 509
Online interviews fielded Oct. 28 – Nov. 15, 2023
Margin of error +- 4.3

For this survey, 509 likely voters in Sandy were sampled from the Utah state voter file. Survey invitations were sent via email and text message with all interviews being completed online. The data were weighted to reflect the demographics of likely general municipal election voters in Sandy with regard to age, gender, race, and city council district. Weighted frequencies and unweighted sample sizes are presented throughout this report.

oe_parksafe. Can you provide any additional details about why you feel unsafe using parks in Sandy or which parks you feel unsafe using? (n=31)

Need more patrols. Increase in crime, especially when we are stacked to our neighborhoods like rabbit hutches or mink farms. The road on Monroe is a big concern with the Arcadia apartments it having enough off street parking. The schools must be topped out to the max.

All good

Cowdell park by the 90th South trax station always has vagrants and homeless. I'm worried about finding needles or them approaching my children

Depends on the area

Depends on the location of the park. Draper and south Sandy areas feel safe to me because its my neighborhood.

Dimple Dell feels very unsafe to run or hike in alone, no patr

Dogs not on leashes. I have been attacked and bit.

Homeless people sleeping, camping and doing drugs

I don't go by myself

I havd nev er felt unsafe, but I hold 7 belts in marshall arts, so I fell safe everywhere

I see homeless people

I see often homeless people sleep in the park, kids drinking alcohol or smoking dop on the parking lot next to the skatepark

I worry about other people as far as robbing theft evt

I've lived here for most of my life and I'm 72. Sandy in general feels less safe and too crowded.

Lots of drug exchange, use going on

No police patrol the parks and you can people that might be under the influence of drugs or alcohol

No security

No security presence

Some sketchy people around the skate park

That was a mistake, it was suppose to say safe

The nearby parks are too close to track station & sometimes creepy people hanging around.

The parks near the trax is scetchy

There has been an influx of suspicious people in Sandy, in addition to neighborhood complaints and first responders in Sandy. Area of historical Sandy.

There is not any patrolling.

To many rufo

Too many off leash dogs. I like to run in Sandy's parks and trails. Many times I encounter off leash dogs that will chase me or try to jump on me. I feel like leash laws in parks need more strict enforcement.

Too many strangers around, they come from the [REDACTED] rail!

Very congested with people moving in from other places and the quality of life will go down. We will end up with no water.

homeless using parks

need lighting and monitoring

the homeless population in Dimple Dell has been growing

oe_trailsafe. Can you provide any additional details about why you feel unsafe using trails in Sandy or which trails you feel unsafe using? (n=25)

?

Again increase in suspicious activity and crime

Dogs are let off their leashes. I have been attacked many times and bitten once. Also, I have encountered "hikers" that appear to be on drugs.

Dogs off leash, lack of visibility

Drug exchange or use

Drugs and homeless along trails sometimes.

Ever since trax came up to sandy and draper, there are a boatload of homeless everywhere you go.they approach you and its aggressive

I sometimes run on them by myself and there are homeless people sleeping on or near them early in the mornings. It makes me feel slightly unsafe.

I worry about people robbing ect

Just less people around

Just make sure I'm not alone

No

No patrol to monitor for problems

No security in something happens

Not maintained

Off leash dogs on trails make me feel unsafe

On street bike routes next to traffic are unsafe due to distracted drivers.

The Dimple Dell trail west of 1300 East often seems to have people lurking in the trees and possibly engaged in questionable behavior that I do not want to expose my children to

The homeless people around especially by trax

The homeless situation in Dimple Dell park

They are fine

Traffic and visibility

homeless or darelicts in canyons and parks in "hidden" places...I see tents hidden in trees

the homeless population in Dimple Dell has been growing

unleashed dogs on trails

oe_bikecomment. Do you have any additional comments about your experience riding your bike on streets or roads in Sandy? (n=49)

Bike lanes have always been a problem in sandy. They don't exist even though I think Tim Dolan said he'd provide bike lanes. They are just large shoulders on the roads. To late now but it would have been really cool if sandy had been developed like other cities and walking/biking trails had to be developed for every mile of streets that were developed.

Dog walkers are a challenge

Don't insist on right of way !

Drivers are just inattentive. I'm vary cautious and strongly prefer bike paths (multipurpose trails) where you won't have to worry about cars except at crossings

Feels unsafe for kids to bicycle on main roads because of a lack of signage, lighting, and bike lanes.

Generally bike lanes are great. There are areas where they absolutely are needed and are not present (wasatch) and there are some areas where the connections are confusing to drivers where a cyclist is allowed (94th and 13th)

Get rid of bike lanes that share with traffic - awful for bikers and motorists

I consider Sandy not very bike friendly. I access porter rockwell and draper parkway trails. They are crowded with multi use and interrupted by bumps in the pavement. I like to access the trail to ride out to point of the mountain, but it's hard to access from Sandy. I do not feel that safe on the Jordan parkway trail, so I rarely go there. I feel safe on the open parts, but those are crowded, but then when you get down by the river it's downright isolated and creepy. I would love more biking trails that are not multi use or are wide enough for multi use. Too many strollers, dogs, kids, and people walking make the trail un-bike able. Riding on streets is just too risky. Speeding cars, driveways...all of it is risky and I try to stick to trails. But there are not enough

I don't ride on sidewalks but my kids do and there are lots of streets without sidewalks or missing sections of sidewalk that makes it unsafe for my children.

I have ridden thousands of miles on sand trails and roads. More MTB trails would be wonderful and separating bikes and cars (safer roads) would be very nice

I only ride my bike on Jordan River Trail, due to vehicle unawareness of riders on streets

It has become unsafe due to distracted drivers

It's not the lanes that are the problem, it's the drivers :-)

I'm way more afraid of the drivers than I am the road or biking

Jordan River Trail or isolate bike lanes feel safe; if I have to ride on roads it feels unsafe. Wish there were more bike lanes.

More buffered bike lanes would be greatly appreciated. It may increase bike use versus auto use.

Multiple times cars drift into bike lanes.

My son was hit by a car in Sandy while on his bike. It has left us rather wary.

My wife refuses to ride when sharing the road with cars

Need bike lanes on dimple dell road. Connect to 106th west to bike trail by trax with a bike lane.

Not sure how to keep people off the phones when driving:)

Some storm gutters allow tires to sink in. Dangerously

Too dangerous to ride with so many distracted drivers on the roads

We choose to not ride bikes on roadways due to aggressive drivers and narrow streets. Increased patrols during peak hours, increased speed/traffic control like roundabouts

We need more streets with designated bike lanes

Wider bike lanes where possible

Would like to see more designated bike paths on main roads

Yes, please add a complete bike lane on Wasatch going south past lakai restaraunt. The guard rail on the hill encroaches on the bike lane and with traffic going 50+ MPH it is extremely dangerous. A more dedicated bike lane overall is needed on that hill and Wasatch generally

don't ride my bike on streets

it would be great for more trails to link up so you don't have to travel on busy roads

BST should connect through

Band park strips they don't need watering

Better light neighborhood street lights,

City growth is fine. It's the lack of attention that gets drawn away from building stronger law enforcement and community. Outsiders come here to enjoy and eventually set percent will bring problems with them

Clean up the yards. Other cities fine people. West valley looks better than here because they still fine people. Its a shame and embarrassing

Consider the ratio of dogs to off-leash acres. Then compare Sandy to Park City. Get County to designate Dimple Dell.

Do not raise taxes

Generally happy, but lighting in dimple dell is poor, parking on west end of of quail hollow would be nice, and bike and or sidewalks are very needed on Mt Jordan to access Dimple Dell on the north east end of the park. Also, the trail around falcon park for walking is great, I would love to see more of those paved trails at other parks. Also, I love the new bell canyon parking, but signage to navigate the trails is lacking.

Huge opportunity to position the city as the gateway to LCC and the Wasatch. Perhaps the focus is making sure Chris and Wayne get their gondola? Also, makes 9800 S Highland a roundabout already.

I am highly opposed to rebuilding Alta Canyon Rec Center

I am not a fan of the Alta Canyon Rec center or the fees to subsidize it. The cost for membership is ridiculous for the amenities it provides.

I do have a comment. NO GONDOLA! Living in Little Cottonwood Canyon is a blessing. to have it destroyed by the State and City to put a gondola in so that out of state skiers can park and ride vs. waiting in traffic is just a waist of tax payer dollars, visual blight on the canyon. I can tell you that last year during the height of ski season, we were only inconvenienced a few day. it is not worth the expense or visual distraction for a few days of inconvenience. Kill the GONDOLA!

I like the parks and programs you offer. I'm more of a "keep the facilites going" rather than let's add new things - unless it is more open space. Thank you

I love our city and it seems like many of our parks have had upgrades recently. Thank you. I don't understand why we don't get a discount for our rec centers. And I don't want to develop quail hollow. We don't need more soccer fields

I took me longer than 15 minutes to complete the survey

I use the tennis courts quite often through Sandy area. A bit more attention to court maintenance would be in the benefit of keeping the courts useable to prevent major surface damage. Also having a means of keeping people off the courts that play soccer or other sports on the tennis courts would help keep them useful and undamaged.

I would love a Mountain Bike trail similar to Corner Canyon in Draper to be built in Dimple Dell

If there are going to be activities at the parks, parking is an issue!

In general much better than other cities... but the more you get, the more you want.

It would be great to have some mountain bike trails like Corner Canyon in Dimple Dell park

Less combined boys/girls sports and more girls sports opportunities for ages 5-12

Mass transit. Traffic is crazy!

More affordable housing!!

My biggest regret about Sandy is that we don't have something akin to a Liberty, Sugar House or Murray Park

My favorites with Sandy recreation: yoga in the park at Sandy Amphitheater, playing tennis at Buttercup Park, hiking at Dimple Dell, and swimming at Alta Canyon Sports Center. I'm concerned that the new construction plan would get rid of the gorgeous tree/mountain view at the pool. Please maintain the beautiful nature at that rec center!)

Need safer walking routes- not enough crosswalks and markers

No

No

No more high density housing

None

None

Overpopulation with apartment's etc. is ruining the quality of life and recreation oppertunities

Please consider how to make some areas walkable and bike able communities. Traffic in Sandy is getting worse and walking on streets or biking is getting more damgersous. More connected routes to get to restaurants and amenities might cut down on traffic but also would make the commute safe. Dian Lu please do something about off leash dogs and the dog feces and feces bags on trails. It is becoming worse amd "personal responsibility " is not working. I have been chased by off leash dogs numerous times in qual hollow park above Albion middle school. People seem to think this is an off leash park. Likely the feces is from off leash dogs that stray from owners.

Please do everything in your power to stop the gondola. We should have a pass option for those that lives near Little Cottonwood so we do not have to wait in the line on snow days.

Protect single family neighborhoods. No more spot rezoning that allows high density into our existing single family areas.

Quit welcoming the low income housing in our city. If we wanted to live in that kind of area we could move to Salt Lake City, stop it, it is the ruination of a city!

STOP ALLOWING SHORT-TERM RENTALS!!!! EVERYONE HATES THEM. AIRBNBs are horrible for neighborhoods. You changed the zoning of the city to make the whole thing a hotel district. Short term rentals should be banned. Everyone but the AirBnB owners HATE them.

Shade trees in all residential streets to cut down on the oppressive heat island effect on the streets, and shade the landscaping for less water use!

Side walks need to be repaired the doesn't look to have a plan why we pay taxes

Slow down the construction of high density housing. Look at how it affects quality of life due to traffic and availability of goods and services.

THANKS FOR THE GREAT CITY!!!

Thank you

Thank you Sandy

Thank you for asking us residents! I love living in Sandy!

Thank you for having so many fun outdoor parks and activities in Sandy!

Thank you for letting me participate. I appreciate your thoughtful effort.

Thank you for the great community that we live in!

Thanks for all you do! I love living in Sandy.

Thanks for asking?

The Sandy Dog park needs better lighting and night. Also, it is pretty small for the populace it serves.

The only new amenity I would be in favor of is an indoor pool at Alta canyon

The only thing we dislike here is the air polution.

The survey does not address the overall budget and tax issues for the city. For example the priority of general services, fire, police, infrastructure compared against these types of community projects

There are no safe walking routes from my neighborhood to parks and school. it feels very unsafe, especially during the winter when many people are passing through to get to the canyons.

Too long, but oh well! Not much more \$\$ on infrastructure in general. Take care of what we have. Thanks.

Traffic is bad.

Twice yearly Sandy Cleanup is fantastic!

We really need a great off leash dog area. It needs to be more than a couple of acres. Why not make the open space behind Albion Middle School an off leash park similar to Millcreek Canyon...odd days dog days.

While i identify as white, my spouse is AA and Hispanic, so i am part of a multirace family. Designing public spaces with different cultures in mind for inclusivity is important to me.

You are doing good.

You should have a percentage completed indicator on the survery as you fill it out

Youth Recreation programs have gone down-hill in the past few years. Soccer/baseball/girls softball programs lack experienced coordinators running the programs. Pictures are not handed out before the program ends, which is a huge inconvenience for the coaches. The site coordinators on the fields are not very knowledgeable when asking any type of questions. We love having our grandkids play in the Saturday programs, but have recently switched to Salt Lake County for many reasons. Sandy Parks and Recreation used to be the best in the state. It really hurt the department when several knowledgeable and kind employees left or retired. I am sorry to have to say negative things, but it is just sad to see the difference when my kids played versus my grandkids.

m_impfavpark_14_TEXT. In your opinion, what improvements, if any, should be made to [Field-park_choice]? Select up to three. - Other, please specify: - Text (n=54)

- Add pickleball
- BBQ pits
- Benches around play area - Bear Park has a ton and the upper play area at Flat Iron has one and it's always taken..
- Better developed multi use paths and connectors
- Brandon Canyon park that I go to I don't think is the same as what you list
- Cameras
- Cross walk on 10600 to access from bell canyon made safer. Every time I have crossed the road there this year a car has blown through the stop light. Perhaps gates that come down? If I did not wait to watch that cars were stopping, I would have been hit at least probably 12 times this year alone
- Designated off leash dog area.
- Dog Park
- Dog poop cleanup
- Don't mess with it.
- Enforce dogs on leash and cleaning up feces and feces bags
- Exercise equipment
- Expansion into dimple dell of possible (gets crowded).
- Fenced off leash area for dogs.
- Have some police officers around to keep people safe
- Hot tub
- I would like a paved path for bikes like in Sun Valley
- Increase safety somehow
- Issues with off leash dogs
- LEAVE IT ALONE. Fix the road theyRIPPED THRU IT
- Lawns cut more often
- Leash law enforced!!
- Maintenance around the south part of the needs better weed control. Burrs get stuck in the dogs fur. Also, another water fountain that has a spout for dogs would be nice
- More seating
- Most of the park's are to small to do anything with
- Not used
- Off leash dog areas
- Off leash pet area
- Parking
- Parking
- Parking
- Pickle ball court
- Pickleball courts
- Places to sit
- Police patrol
- Put the fence back up. Keep drug users from staying over night
- Requiring dogs to be leashed and patrolling to insure. Too many dogs off leash which is dangerous to those of us who follow the rules.
- Resurface the tennis courts
- Skate Park

Trim and remove dead trees.

Update cracks in trail

Update facility and add indoor swimming pool, hot tub, sauna and steam room. Get new equipment for work outs and remodel

We need trash cans/with dog poop bags. like Lone Peak Park has, and most other parks. There are 5+ trail heads from granite park to smiths running along Segoe Lilly and not 1 place to dispose of dog waste. Because of that there is too much on the trails.

Why they didn't paint pickleball lines on the court is insane.

a few benches to sit on. There used to be a few, mostly gone now.

Better access on horseback

Cycling Trails

Dog friendly

Electric bike paths

Equestrian facilities

Haven't a clue, all depends on financing

Lit soccer fields for when it gets dark

More signage for dogs that they must be on a leash.

Natural space with natural trails that I can take on leash dogs.

On leash dog tails, new hiking trails, new mtbing trails, better access into the small canyons

- Access via bike paths and sidewalks
- Fine or ban dog owners who do not clean up after their animals or let them off leash.
- I am worried about the gondola and ruining access to trails
- Last winter did a lot of damage to Dimple Dell Park, Dry Creek Loop
- Less horse trails and more consideration for broader use
- More off leash areas
- More off leash dog parks with shade
- No thoughts
- None - please don't pave the Dimple Dell trail!
- Off lease dog trails
- Restroom with stocked feminine hygiene products, and not locking doors early in the season
- Safer/wider biking lanes for road riders
- Security cameras
- Sidewalks and bike lanes to dimple dell from surrounding neighborhoods— I.e. on Mt Jordan
- To be clear trail maintenance to me just means maintaining already paved trails. Don't pave dirt trails.
- Water sources for drinking
- Wouldn't have any idea again based on Sandy's budget

COMMUNITY FEEDBACK

1. Flip Charts – Thoughts about Sandy Parks Recreation & Trails

- 8-10-23 Bicentennial Park Open House
 - Replace asphalt walkways with cement to prevent dog feet burns in summer
 - Playground equipment is old, boring
 - Flat Iron Mesa has had playground upgrades twice, while bicentennial has the same one since I was a kid
 - Good shade
 - Play structure is old. Why invest in pickleball and hammocks vs what is actually used
 - Playground needs shade (x2)
 - Parking for softball is horrible
 - No safe access to cross the street (8680) to the park. No crosswalk
 - 8680 is dangerous on evenings with softball games. Cars parked in the street block the view of people leaving the parking lot. I've seen multiple accidents here
 - I miss the shade the trees used to give on the south side
 - The stream is my favorite feature. My kids love to play around in it
 - Prohibit street parking, encourage field users to park at elementary school
 - New playground equipment. Please leave the tree and add more shade structures
 - More parking, it's dangerous on summer nights with all the cars
 - The barbed wire fence is unfriendly
 - Keep the stream. We love it!
 - Keep tennis courts as pickleball courts are added

- 8-14-23 Lone Peak Park Open House
 - Bell Canyon trail is awesome
 - Leisurely parks are nice too
 - Biking is not going away – miss the dirtbike jump in DD
 - Both uses on trail – separate bike and pedestrians
 - Restrooms open year-round – freeze-proof pipes
 - Bike jump park in Quail Hollow (similar to Corner Canyon)
 - Trail lighting until 10:30/11:00
 - Finish trails by making the land next to them pretty
 - Incorporate all abilities play elements – all ability swings

- 8-17-23 Alta Canyon Open House
 - Need more places for picnics
 - Make Sandy more bike friendly
 - Pickleball at Falcon Park

- CITYWIDE
- 8-12-23 Balloon Festival (What I like at the parks)
 - Swings (x4)
 - Slides
 - Love our parks
 - Lone Peak amenities are great
 - I like to see the dogs
 - Climbing wall
 - Outdoor exercise equipments
 - Good visibility for those with more kids
 - Spinning structures
 - Tennis & Pickleball
 - More bleachers in Storm Mountain Park
 - Shade over playgrounds – pay attention to how sun hits the slides
 - More pink
 - Hide and seek with friends
 - Playground
 - Bathroom facilities
 - Gymnastics (x2)
 - An amenity locator service
 - Encourage kids to be creative
- 8-28-23 Healthy Sandy Night (Thoughts)
 - Trails I feel safe on as a female
 - Bikeways – paved and off-street
 - Paths that families can go on
 - Walking paths
 - Place to take dogs where their paws don't get burnt (x3) (woodchips)
 - Preserve horse trails
 - Seeing all user groups together is so cool!
 - Winter sports/play – 4 seasons
 - I like to stack rocks in the park
 - Love the parks system (x4)
 - Ampitheater sunsets are beautiful
 - \$30 is too much for a 5k – have a free option without the extra stuff like t-shirts or water – breathable shirts would make the \$30 worth it!
 - Playground is fun
 - Playground that adapts to the season
 - Swings (x3)
 - Playground for teens
 - Updated playground
 - Love slides (x7)
 - Love monkeybars
 - Love to play soccer
 - More horse trails
 - Address safety at Dewey Bluth
 - Aspen Meadows is nice

- We like to walk, hangout, then walk home
- Better coordination at special events @ the ampitheater - don't take all the shade
- Love Flat Iron Park
- Love Crescent Park
- Fix pickleball entrances at Dewey Bluth - you have to walk through another court to get to yours
- Replace field at Storm Mountain with something else
- Love biking in the parks
- Love basketball
- Love the views
- Love the trees
- Love to walk

2. Which Features Should the City Invest in or Improve?:

"Other" Comments

- 8-10-23 Bicentennial Park Open House
 - Shaded splash pad, please
 - Covered pools
 - Allow dogs off-leash hiking in select areas
 - More green space in abandoned areas
 - Bike access
 - Update Bicentennial playground, add shade
 - Keep fighting against the gondola
 - Don't give up tennis courts for pickleball
 - Distribute amenities
 - Open space
 - Using recycled materials in buildings
 - Sharing fields with schools
 - Simple climbing for kids
 - Slides
 - Hammocking
 - Tennis and basketball - busy all the time
 - Garden park improvement - Segoe Lily
 - Sustainability
 - Update Sandy Bicentennial play structures for children
 - Recycling in the parks

- 8-14-23 Lone Peak Park Open House
 - Don't increase off-leash dogs in the city limits.
 - More pickleball courts
 - More picnic areas at Lone Peak Park
 - Additional splash pad

- 8-17-23 Alta Canyon Open House
 - More picnic areas at Lone Peak Park
 - Shaded splash pad

- Citywide
 - All abilities play opportunities (like St George)
 - Ziplines
 - Opportunities for tweens
 - Maintenance of Sandy volleyball courts with lighting
 - Open space (x2)

3. Recreation Programs:

“Other” Comments

- 8-10-23 Bicentennial Park Open House
 - Youth Programs
 - Summer soccer (x3) – not during school year
 - Parental involvement in programs – getting kids out of the house
 - Summer programs similar to Murray
 - Summer camps
 - Youth programs on the weekends for working parents
 - Adult Programs
 - Arts & crafts programs
 - Summer programs
 - Senior Programs
 - Evening hikes
 - Walking league – social connection
 - Outdoor programs
 - Activities that support connection with young people (toddlers, kids)
- 8-14-23 Lone Peak Park Open House
 - Youth Programs
 - No comments
 - Adult Programs
 - Plant exchanges
 - Senior Programs
 - Cooking classes for different diets: low sodium, diabetes
 - Check out the Sandy senior age 60+
 - Language programs for beginners
- 8-17-23 Alta Canyon Open House
 - Youth Programs
 - More kid programs like fall tennis class
 - Adult Programs
 - Adult sports (x2) (beehive sports/social league in SLC)
 - More programs by Tess Shaw
 - 6 AM circuit
 - Senior Programs
 - Citywide

- Youth Programs
 - Provide equipment for soccer – like balls
 - Free theater camps during the summer – I love Owl Camp
 - Better refs at youth soccer matches and no ringers
 - Rock climbing opportunities like Dimple Dell
 - Children activities
 - Theater for children
- Adult Programs
 - Like PT classes without the money
 - More flexible hours/water aerobic classes (x2)
 - 5k's are a lot of fun
 - Programs for adults with disabilities, i.e. Autism that includes parental volunteers
 - Monday night walks in different parks – Healthy Sandy formerly ran a similar program
- Senior Programs
 - Health talks and exercise programs
 - Exercise stations along trails

4. Sandy Should Incorporate These Unique Features into the Parks:

“Other” Comments

- 8-10-23 Bicentennial Park Open House
 - More trees – plant early so they grow
 - Shade structures especially in kids play areas
 - Off-leash areas off trails, not a dog park, integrated
 - Pickle ball courts
 - Accessibility for individuals with disability
 - More interactive stuff
 - More picnic spots – not just the pavilion
 - Dog friendly garden park like Segó Lily Gardens or West Jordan Water Conservancy Garden Park
 - Incorporate beauty and art into general amenities
- 8-14-23 Lone Peak Park Open House
 - No off leash dogs in general areas, too many bites and ruined times
 - Music park or options in the park
 - MX pump track
 - Archery range (x2)
 - Explore the threshold of concrete activities @ Lone Peak Park and dirt activities at Dimple Dell
- 8-17-23 Alta Canyon Open House
 - Games for teens – big Jenga, connect 4, spikeball, etc. (x2)
 - Hammock stands
 - More walking trails to enjoy nature
 - Archery range
- Citywide

- Archery Range (x3)
- Ziplines for kids and adults (x4) – similar to the one at Copperview
- Carousel

5. District 1 Board:

- 8-10-23 Bicentennial Park Open House
 - I'd love it if the path around the urban fishery reached all the way around
 - South end of Scott Cowdell park is overgrown. Keep weeds down
 - Historic Sandy is overlooked
 - Crosswalk is needed at Bicentennial Park
 - Porter Rockwell Trail could use shade and landscaping
 - Buffered bike lane and more connectivity

- 8-14-23 Lone Peak Park Open House
 - 90th south is unwalkable
 - Neighborhood connections
 - Aesthetics
 - Lighting
 - E-W trails
 - David Street Park is not nice to look at
 - Prioritize area around Dewey Bluth Park and make it look nice – connect tunnel to neighborhood
 - Dewey Bluth pavilion is not good or well kept
 - Pedestrian/walking concerns along 700 East

- 8-17-23 Alta Canyon Open House
 - E-W trails
 - I'd like the dog park to be extended south into the open field (x5)
 - There used to be a bike park – can it come back?
 - Maintenance and landscaping along trails
 - More kids play equipment @ Lone Peak Park
 - Could something like Draper cycle track work in District 1?

6. District 2 Board:

- 8-10-23 Bicentennial Park Open House
 - Expand parking
 - Update old play tunnels and swings
 - Nice place to just be
- 8-14-23 Lone Peak Park Open House
 - Bus service is needed by Quarry Bend (9000 S.) – ski bus is rarely boarded at this location and the E/W bus stops are in different locations
 - Wide/comfortable path
 - E/W connection by Pebble Brook Golf Course
 - Underutilization at Quarry Bend Park – softball only – could be more accessible open space
- 8-17-23 Alta Canyon Open House

- No comments

7. District 3 Board:

- 8-10-23 Bicentennial Park Open House
 - Bikes use the unique jump park feature at Quail Hollow (x3)
 - Minimalist approach – keep it wild with concern for fire danger and safety
 - Very few dogs on leash (x2) – additional dog park needed
 - Safer bike lane along 9400 South
 - Waterwise management
 - We bike on the sidewalks
- 8-14-23 Lone Peak Park Open House
 - More trees/shade at Quail Hollow
 - Murray Park is a great example
- 8-17-23 Alta Canyon Open House
 - Very few dogs on leash
 - Keep the parks natural (x2) – no new development
 - More trees
 - Kids on bikes at Quail Hollow are a positive (x2)
 - More trash bins are needed at Quail Hollow
 - More buffered bike lanes
 - Bring back the painted rock
 - Can we explore odd/even days @ Quail Hollow for Bike/pedestrians?
 - Midblock crossing signals – flashing lights
 - Walkability
 - Neighborhood identity
 - Flat iron is a great park for teens – best in Sandy
 - Many dead trees in the area
 - More trail maintenance – preferably unpaved trails
 - Don't feel safe biking (x2)
 - Anti-bike lane – good way to get hit by an opening car door
 - I use trails in Sandy often
 - Mountain biking opportunities and connections to Corner Canyon area
 - Connection/partnership with Cottonwood Heights
 - Save native plants during construction projects and less residents have them – less waste of vegetation
 - Less grass at schools
 - Build in maintenance plans
 - Lots of grass – not an efficient use

8. District 4 Board:

- 8-10-23 Bicentennial Park Open House
 - None
- 8-14-23 Lone Peak Park Open House
 - Rocky Mountain Trailhead needs a crossing from parking to sidewalk and sidewalk to trail!
 - 11400 south is windy and narrow for bikes

- I would bike 11400 south if there was a bike lane (x2)
- Please limit the width of multi-use trails. 10 feet wide is so disruptive and integrates ADA grades with the contour of the land instead of straight zig zag.
- 8-17-23 Alta Canyon Open House
 - Bell Canyon Trailhead is nice
 - Buffered bike lane is needed along Wasatch Drive

NON SANDY PRT COMMENTS

Dimple Dell

- Bike trails
- Keep Dimple Dell as a place for dirt activities
- No concrete
- All user groups (bike, hike, horse, etc.) together is so cool
- Wild life connection to Little Cottonwood Canyon
- Allow dogs off leash - like Millcreek Canyon
- Keep 4wheel drive out of the park
- Water quality concerns with dogs (additional dog park needed elsewhere)

Alta Canyon Rec Center

- Not convenient to most residents
- Can't see putting money into something that most residents don't use
- Preserve + remodel Alta Canyon Rec
- Implement the master plan (x2)
- Rebuild Alta Canyon Rec now! (x3)
- Updated weight room equipment and benches (x2)
- Better pool and weight room
- Regular maintenance on equipment

6/5/2023 13:15	Ideas and Suggestions	Bluff's Pocket Park, Sandy Parks	This pocket park is heavily used by this neighborhood for neighborhood events/activities. I would love to see an updated playground on this site as more young families are moving to the area again. It would also be great to see a walking path added around the perimeter of the park and some lighting/electricity added to the pavilion to expand its use.	0	0	84092	POSITIVE	Bluff's Pocket Park
6/5/2023 13:17	Needs improvement	Bell Canyon Park, Sandy Parks	This park needs renovations! The playground is very small, outdated, and worn, often with parts breaking. This park is utilized by lots of sports groups as well as kids around the neighborhood. There will be even a greater need in the next couple years as surrounding neighborhoods with older people move on and younger families with kids move in. The playground at this park is sorely undersized for the volume of kids moving to and living in the area. Before and after baseball or football games or on many beautiful spring or fall days it is overrun and overcrowded. It needs some TLC.	3	0	84092	NEGATIVE	Bell Canyon Park

6/5/2023 13:29	Needs improvement	Alta Canyon Park, Sandy Parks	I'd love to see Sandy City add a frisbee golf course somewhere, maybe near Granite Park? Or near any Dimple Dell trailhead? Just need a bit of parking and an open-ish area with 18-20 baskets. I've noticed Utah County has added MANY Disc Golf venues throughout the valley. Since Salt Lake County only offers a few playable/interesting areas for this activity, I'm required to drive south to enjoy a round. It's free, good for all ages, and gets us outside! Maybe add 2 courses in Sandy!! ;)	1	6	84092	POSITIVE	Alta Canyon Park

6/5/2023 13:54	Needs improvement		The Library is a wonderful resource in Sandy. Is there any way to connect the library to any of the bike paths in Sandy. Is there way to make it possible to bike to the Library without being hit by a car on 13th East or 94,000 South? A bike path that went to city services, like the library would be wonderful. I believe there were plans to add a bike path that connected Falcon Park to the park by Walmart off 194,000 South. The bike path was to go just south of the golf course on 13th East. Will this ever be built? It would be a resource for the whole community. I've lived here 11 years, and I have not see any progress on building this bike path yet. 6/5/2023 14:00	Ideas and Suggestions		This area should be used to build a state of the art indoor aquatic center. 6/5/2023 14:56	Ideas and Suggestions	Brandon Park, Sandy Parks	Bell Canyon Gulley is barely even a park, it's more of a wilderness area. 6/5/2023 14:58	Ideas and Suggestions		This space, nestled between two Sandy neighborhoods, is a thoroughfare of outdoor activity. Horses, dogs (and their owners), and children use this space for outdoor recreation in all seasons. It is a gem in Sandy connecting so many people to the Gully at its end. People use this space to get fresh air, exercise pets, connect to trails in the Gully or Dimple Dell, and I know my own kids use it as a safe place to explore and get between houses when there are no viable sidewalks along High Mesa Dr.	2	0	84092	POSITIVE	
6/5/2023 15:00	Needs improvement		This area needs a sidewalk to get to the park safely. It sure would be nice to have more parks within a walkable distance of ANY of the subdivisions on 106th. "Third Places" like parks build a better sense of community, and make it easier for families to get outside and give their kids more freedom. I'd love to see a public park (and maybe an elementary school within a walkable distance so all the kids here don't have to get bussed) go in when/if this equestrian park ever sells.	6	0	84092	NEGATIVE

6/5/2023 15:29	Ideas and Suggestions	Main Street Park, Sandy	I think this tiny park would be a great place to host a farmers market, or food trucks on the weekends. With it being located right in the heart of the Historic Sandy district, I think it would add an element of newness to the neighborhood, and our city without having to make any major improvements. Sure would be nice if we could capture some of the traffic coming through in this area with a nice little walkable shopping area. Would also be great for local residents, especially if we could add walk/bike paths to it. Historic Sandy needs a revitalization. I think it has the potential to be a fun, functional, walkable community. It is a shame that there is a higher rate of crime there along with neglected properties. This area could really have a lot of charm. I had a friend move from the area because he found a drug addict passed out in his outdoor stairwell. He didn't want his family to live in that kind of environment. Young families need to feel more drawn to the area.	11	15	84070	POSITIVE	Main Street Park
6/5/2023 15:42	Ideas and Suggestions		I would LOVE to see a farmer's market in Sandy. I think there would be a big demand for that. I have not been supporting local farmers as much as I'd like because I would have to drive 25 minutes north into Salt Lake. I love the idea of a revitalized, walkable downtown area. I think there is already a plan in motion to built a small outdoor stage in the southeast corner of Main Street Park. It would be so fun to have community concerts/performance there! However, safety is a concern. I walk my dogs around this neighborhood frequently and I have seen transient people and drugged/drunken people take up residence in the pavilion. I would like to see ideas to continue making this neighborhood safer for residents and visitors.	0	0	84092	MIXED

I believe this park is a County owned facility. Please, Sandy do what you can to get your hands on this park. The County parks system is simply not in the same league as Sandy Parks.	0	0	84092	POSITIVE	
6/5/2023 16:04	Needs improvement		That administrative change alone would make this a great great park. I do believe with 16 separate municipalities in the valley it's time for the county to end its municipal service anyway. Unified police ends this year, parks and the patchwork planning is all that's left.	0	0	84092	MIXED

6/5/2023 16:04	Needs improvement	How would a dog park erase the problem of people who don't pick up their dog poo? The area east of Granite park is currently one of the few open natural spaces left in Sandy. Would not want to see herds of dogs running it all down. Granite Park is one of our favorite places to walk, all year round. The scenery is beautiful there and we are fortunate to have such a jewel close by.	0	1	84092	NEUTRAL

6/5/2023 16:06	Something I Like	Granite park is beautiful and a big reason we moved to Sandy. Granite Park is a family favorite, safe, quiet, and overall well maintained. When I have family visiting Sandy, I love to bring them to this park at sunset to watch the mountains glow as the sun sinks below the horizon.	0	0	84092	POSITIVE
6/5/2023 16:06	Something I Like	At one time there was a bench at the top of this hill, looking over the city. We should have a new bench here. 6/5/2023 16:10	Ideas and Suggestions	It is a wonderful open space. I sure hope they preserve it. I would like to see the area east of Granite Park become an off-leash dog park.	0	0	84092	NEUTRAL
6/5/2023 16:11	Something I Like	Huge opportunity to connect the Dimple Dell trail systems together. The local MTB community and NICA teams would be happy to be in the hours to get these trails built.	0	0	84092	POSITIVE
6/5/2023 16:12	Ideas and Suggestions	Millcreek Canyon has a policy where off leash dogs are allowed on odd numbered days. I feel this type of arrangement should be created in Dimple Dell park as well. There are many times more dog owners in the city than horse owners, and we need more spaces to play with and allow our dogs to play. The only dog park in the city is woefully small. Sharing the park with dog owners and allowing off leash days would be a great benefit to many Sandy residents.	38	13	84092	MIXED
6/5/2023 16:13	Ideas and Suggestions	I was coming to say this very same thing. I really believe that dog owners should have an off leash time available to them. I see FAR more dogs in this area than horses	0	0	84092	POSITIVE
6/5/2023 16:14	Ideas and Suggestions	Unpopular opinion I know, but most people don't have dogs nor do they like them running wild. You reference Millcreek Canyon - that is the only place I have had dogs bite me. Twice, two different years. Never a fan of letting dogs run loose in public spaces. Dog parks? Sure. Perhaps partition a small area of this park for a dog park, but please don't let dogs run wild. Please don't let dogs run free here. Perhaps partition a portion of this park off as a dog park, but more people (a) don't have/like dogs, and (b) certainly don't want them running wild. I actually like dogs though since you mentioned Millcreek I will add this - it is the only place in the state where I have been attacked by dogs. Twice, two different instances. All that coupled with the occasional lazy owner who doesn't clean up after dogs makes this an immediate no from me & many others.	0	0	84092	NEGATIVE
6/5/2023 16:14	Ideas and Suggestions	Let's not ruin our own wilderness area by completing unnecessarily Highland Drive through Dimple Dell. Keep it wild and it will help keep Sandy the best place to live.	1	5	84092	NEGATIVE
6/5/2023 16:15	Something I Like	I love that I can access Dimple Dell to take long walks via the trail that extends from Highland Drive. I would love to see permanent trail/hiking access for this trail.	12	7	84092	NEUTRAL

6/5/2023 16:17	Ideas and Suggestions		I would like to see this trail rezoned to a parkway and not turned into a road. It is a nice/safe way to access the dimple dell without having to walk along the road. Can we finish Highland Drive please! I have been stuck in traffic on 1300 East for over thirty minutes before between 10600 South and 9400 South. This creates pollution and is worse for the environment than finishing the road. As Sandy continues to grow and as our population increases this will be needed sooner than later.	5	0	84092	POSITIVE	
6/5/2023 16:19	Needs improvement		Dimple Dell is a wonderful amenity. Leashes are required here, but so few dog owners follow this rule. Very frustrating as a hiker, dog owner, horse owner and mountain biker. Perhaps a few days of public education / warning citations would be a good reminder a few times a year.	12	27	84092	NEGATIVE	
6/5/2023 16:21	Needs improvement		I'd like to see some way for responsible owners to have access to open spaces where their dogs can run. Maybe we can do a canine good citizen test, and for dogs that pass, they have the ability to use certain trails, or sections of the park. As much as I love doing daily walks, it's not the same as letting my dog really run and sniff in these types of wild places. A solution could be similar to Millcreek and allow dogs off leash every second day. There are so few places in the valley where dogs are allowed off leash.	0	0	84092	MIXED

6/5/2023 16:24	Ideas and Suggestions	Brandon Park, Sandy Parks	Bell Canyon is a huge community asset, especially with the ball fields, tennis courts, and walking path. 6/5/2023 16:25	Needs improvement	Bell Canyon Park, Sandy Parks	I like this in theory, though practically speaking there is not a great place to put this crosswalk due to how curvy this section of road is. 6/5/2023 16:26	Ideas and Suggestions		The Porter Rockwell trail between 106th & 114th could use a little more weed control right next to the trail on each side, some trees need a little trimming, & hauling away of misc fence posts, plywood, & broken branches. It is kind of hard for citizens to haul that out, when we cannot get a vehicle in there. But the trails are awesome!	3	0	84092	MIXED

6/5/2023 16:32	Something I Like		Even just a painted bike in the right lane along these roads and some "bicycles may use full lane" signs would be a great start. Separated infrastructure would be even better, but might have to wait for when a resurface/redesign is done.	0	1	84092	MIXED

6/5/2023 16:34	Needs improvement		I like multi-use paths as much as the next guy, but it sure would be nice if we're going to spend the money to put them in to put thought into what job they're accomplishing. If we prioritize building paths that connect bicycles to neighborhoods, businesses, etc and run parallel to busy streets so bikes and pedestrians can move safely without interacting with cars, we'll get a lot more bang for our buck. Does anyone use this path? If so, how?	0	0	84070	MIXED	
6/5/2023 16:35	Ideas and Suggestions		Right. This whole area needs to be part of a redevelopment of the SouthTown Mall, with an aim to achieve a walkable, pedestrian oriented downtown infrastructure. 8/3/2023 10:32	Ideas and Suggestions	Lone Peak Park, Sandy Parks	Other cities have parks that are more than just sports fields. Murray city park is exceptional in that it has multiple areas and is not just sports related. This area could be exceptional and become a focal point in the city if it could be developed for more than equestrian use. better walking, picnic, lighting for safety. Children in this area would really enjoy a splash pad similar to those located on the west side of the valley such as Wardle Fields. The surrounding Dimple Dell park offers great recreation opportunities for adults, I would love to see Granite Park redesigned for children not adults/dogs. There needs to be a safe way to cross the street to the park. The only crosswalk on 8680 is at the school. 8/28/2023 22:39	Needs improvement	Bell Canyon Park, Sandy Parks	Utah's biggest developer plans to put high density condos and townhomes in the areas above Wasatch. This development poses a lot of problems for the area. 1) There is already unacceptable traffic on Wasatch and minor residential roads. 2) This area is unsafe for development. The Draper land slide incidents should have been a warning to not permit such unsafe areas for development. 3) Incongruent with surrounding neighborhoods. High-density condos will prompt non-permitted short-term rentals Extending the highland drive would not improve the traffic. If any, saving less than 15sec in the best-case scenario at the cost of a very nice and utilized area for social and wellbeing. By contrast, this path not only extends the area to create a bigger park, but also provide more points of entry and disperse the people.	5	0	84092	NEGATIVE	Bell Canyon Park
